Christmas Party

William Cakebread of 714 Pomona Avenue reports that this holiday season was especially enjoyable to him as his family had prepared a tree and a sumptuous dinner for Christmas Eve. His brother, Charles, and many friends "dropped in" to greet him and he saw for the first time his great-granddaughter.

Members of the Cakebread family are as follows: Mr. and Mrs. Vernon Cakebread and daughters, Verna and Barbara of Brentwood; Mr. and Mrs. Will Cakebread and daughters, Betty Ann and Edith June of Antioch; Mr. and Mrs. A. S. Cakebread and son, Keith of Hollister; Mr. and Mrs. Roy A. Mast of Capay, Yolo County, and their daughters, Faye and Hazel, who is now Mrs. William Hayes. "Bill" Hayes and their seven-months-old daughter, Edith Ann also attended this happy occasion.

"Jeanie" Showing at Albany Theatre

"Jeanie," the best light comedy of the year, the picture which brought all the raves from Fidler, Time, New York World and the leading Broadway critics, is playing a popular two-night run—tonight (Friday) and Saturday—at the Albany Theatre. Companion picture of this remarkable comedy is Kipling's story "Elephant Boy," filmed in Technicolor. Filmed by Alexander Korda the picture features Salu riding atop "Toomai," the largest of living elephants. Korda filmed most of this picture under the "Hump" between India and Burma where today a mighty struggle of supply and strategy holds the fate of the Orient and the future of white man's prestige in the balance. A special matinee is being held for children Saturday with the serial and two cartoons playing with "Jeanie" and "Elephant Boy."

Next Wednesday, and continuing four days, the Albany will present Preston Sturges' comedy "The Great Moment" with a companion comedy "In the Meantime Darling." The entire show from dinner-time to midnight will be dedicated to laughter. Manager Garren states that pop corn will not be sold during laughing scenes.

That pint of blood you donate will save the life of one of our boys at the fighting front. Do not delay signing up to give that all important Pint of Blood. It is badly needed!

P.T.A. CLOTHING DRIVE
 Albany-Berkeley Parent Teachers' Association will stage its annual used clothing drive for the purpose of outfitting needy children during the week of January 15-19.

A goal of 800 garments has been set for Albany High. The used clothes will be collected in all first-period classes starting Monday.

The clothes collected will go, first of all to the Child Welfare Society, who outfit the needy children of the Bay Area from a clothing room maintained in Berkeley. Shoes and underwear are particularly needed for local children. Second, the clothes will be sent to needy children in all the war fronts; for instance, to Russia and Greece.

Put yourself in place of some of the needy children; think how appreciative you would be to receive some clothing after living in a country where no civilian clothing has been manufactured for years.

Surely each student must have some old clothing that doesn't fit you anymore that some needy child would use, so over this weekend search your belongings for discarded clothes and bring them to your first period class on Monday.

STUDENT BODY ELECTIONS JAN. 10

Student Body officers for the Spring term will be elected Wednesday, January 10, following a Candidates' Assembly. Candidates for the office of Student Body President are Harry Bolton and Stanley Norton, both Low Seniors.

Walter Olafson and Robert Varblow will compete for the office of Boys' League President and Leroy Fisher will oppose Bob Reasoner for the office of Secretary of the Boys' League. Candidate for Boys' League Representative at Large will be Richard Pickering.

Ballots will be cast during the noon hour on Wednesday.

Albany High Students have always supported their Student Body elections with enthusiasm, and during this campaign candidates are campaigning with tags, posters, and at times, soap-box orations.

"Merry Widow" Feature of Gea Theater In S. F.

For more than a quarter-century, people the world have been either hearing or seeing the magnificent musical from "The Merry Widow" for more than a quarter of a century "The Merry Widow" been the great "classic" of As all the world knows, it is by the great opera, Franz Lehár. It was first produced in the traditional pre-war, Vienna. It took all of by storm, and an equally astute reception greeted the country, a reception never been slackened in.

Topping the Lehár score famous "Merry Widow" which, along with Johann "Blue Danube" is proclaimed as the most popular in the world. Another beautiful and renowned soprano solo, "Villia," of contrast, we find the slightly naughty song which Danilo, the gay rake of sings, "Maxim's." And this is the rousing but light music "Girls, Girls, Girls." For more pieces of sheet music more recordings have been "The Merry Widow" music for music from any other.

California AGRICULTURE

LEADS THE NATION
 WITH 20 FARM "FIRSTS"

This is a land of champions... the state of California. But a National Champion of all time is our California farmer. According to Uncle Sam's Bureau of Census, California Agriculture is "tops" in 20 items of crop production, wages, equipment usage. Read the amazing list below and you will see why California is a major source of food supply to the nation and armed forces. California scores FIRST in:

ITEM	CALIFORNIA'S PERCENTAGE OF THE U.S. CROP	ITEM	CALIFORNIA'S PERCENTAGE OF THE U.S. CROP
1. Almonds . . . lbs.	FIRST 99.9	12. Celery . . . acres	FIRST 27.6

FIRST IN FARM ELECTRIFICATION

There is a final FIRST for California Agriculture that this company mentions with pardonable pride. It is that California farmers lead those of all other states in the use of electric horsepower. And in the 46 counties into which P. G. and E. lines extend 95.9 per cent of all farms within one quarter mile of a distribution line use electricity for lighting, pumping and other farm labor saving devices.

Availability of electric horsepower to make up for the lack of manpower has meant much to California farmers during these war years.

Hot Biscuits Good Around the Clock
THE Continental custom of serving tea in mid-afternoon has something to be said for it. Who wouldn't like hot golden biscuits and honey with a steaming cup of tea? One interesting English, or Canadian tea-time custom is to serve the foods on plates of different patterns—including cups and saucers!
Fluffy tender biscuits can be whipped up in short order whenever unexpected guests arrive. Make them with thrifty blended shortening for good results. Serve with homemade jelly, jam or marmalade.
Biscuit dough can also be used as a shortcake base—with creamed meat for a main dish, or with a fruit topping for dessert. If you're in a hurry, make crunchy drop biscuits instead of uniform rolled ones; use a little extra milk in the recipe for drop biscuits.
Cinnamon biscuits or orange biscuits are good breakfast hot breads, while bacon biscuits are a treat for lunch. So biscuits are around-the-clock favorites.
Tea Biscuits
Yield: 12 medium biscuits
1/2 cup blended shortening 3 teaspoons baking powder
2 cups sifted flour 1/2 to 3/4 cup milk
1/2 teaspoon salt
Sift together flour, salt, and baking powder. Blend in shortening until mixture is the consistency of coarse cornmeal. Stir in milk to form a stiff dough. Turn onto a lightly floured board or pastry cloth and knead gently 3 or 4 times. Pat out to 3/4 inch thickness. Cut with floured biscuit cutter. Place on an ungreased baking sheet. Bake in a hot oven (425° F.) 10 to 12 minutes.
For variations of the above recipe try: Orange Biscuits—Sift 1/4 cup sugar in with other dry ingredients. Add 2 tablespoons grated orange rind to dough.
Cinnamon Biscuits—Roll biscuit dough out into a rectangle 1/2 inch thick. Spread with butter or margarine. Sprinkle with a mixture of 1/4 cup sugar and 1 teaspoon cinnamon. Add 1/2 cup raisins if desired. Roll up as for jelly roll and cut in 1-inch slices. Place in greased pan and bake.
Bacon Biscuits—Roll biscuit dough out and cut into squares. Dice 6 slices of bacon. Sprinkle bacon pieces on top of dough. Place squares on baking pan. Bacon will brown as biscuits bake.

Wanted:

Men who'd like to work with trains

If you'd like to help run trains . . . to work with the conductor and engineer . . . if you'd like to go places and do a job which is really important, you'll want to look into this job of Brakeman with Southern Pacific. We train you for it in a few days (and you're paid while training). The pay, by any standard, is very good. It's an interesting job . . . with men you'll like. And with a company whose best job begins when Germany is finished—moving the war load against Japan. If you're steady, reliable . . . a man who looks ahead and who wants a real connection with a big, progressive outfit, this should be your job. Fine pension plan, R.R. pass privileges. Medical services. Many extras. Many other jobs open.
